Application template for the FESSH/KLS Martin SHARK Tank event – planned for the “Technology in Hand surgery session” on Tuesday June 7

Are you ready to take the plunge and meet the sharks in this year’s Shark Tank event? Prepare a 1-page pitch of your innovative project and submit to the research committee. The 6 best projects will each get 3 minutes stage time to present their project at this year’s FESSH meeting. The presentation will be followed by a 2-minute Questions and Answers before the jury decides who get funded or not.

The deadline for application is May 1st
